Date: March 19, 2007

Re: Police Dept. Open Houses

In celebration of Autism Awareness Month, many north suburban police stations are hosting open houses during the month of April. The NSSED Autism Task Force is coordinating these open houses for families with children on the autism spectrum. If this applies to your family, we encourage you to attend an open house in order to introduce your child to their local stations and to provide the station with useful information about your child. This is a great opportunity for law enforcement professionals to learn about the gifts, challenges, and diversity of this population.

Listed below are the dates and times of the police departments that are participating in this event. Please try to RSVP to the contact person provided, if you plan to attend, and fill out the attached form to bring with you to the open house. If there is no open house scheduled in your community or you are not able to attend, you may contact your local station individually to schedule your own meeting.

Bannockburn  
2275 Telegraph Rd.
